Jt. Comm. on Printing

14 May 1952

The Honorable Carl Hayden
United States Senate
Chairman, Joint Committee on Printing
U. S. Senate Post Office
Washington 25, D. C.

Dear Senator Hayden:

Enclosed herewith is the original of "Notice of Completion of Transaction Authorized by the Joint Committee on Printing."

Our letter dated 31 March 1952 stated that a cash offer had been received in the amount of \$2,385.62 for the surplus press. Subsequently, it was determined that this cash offer exceeded the ceiling price established in accordance with Regulation 105, dated 12 December 1951, as issued by the Office of Price Stabilization. Therefore, there were two tie bids of \$2,341.61; one from Victor E. Curtis Company and the other from American Type Founders, Inc. A drawing by lot resulted in American Type Founders, Inc. being the successful contractor.

In view of the above, the trade-in offer of American Type Founders, Inc. against the purchase price of a new press has been accepted and covered by our Contract No. XG-798 in the amount of \$5,633.39.

Sincerely,

(s/)
WALTER REID WOLF
